Announcements and Other

Stephanie announced a part time position open at Rutgers University Archives for part time work through June. Contact Erika Gorder.

Fundraising: Arianna has been working out details regarding fundraising. SCI gives clubs 300 dollars a semester, if you apply for funding. But that requires a budget and purchase orders. Fundraising money isn’t defined by online sources, so Arianna will speak with someone at SCI to figure out if we would also need a purchase order form for fundraising money.
Catherine and Juber attended SAA this summer. It was great for panels and networking. Catherine attended a panel on preservica as an archival tool.

The next meeting is October 23 in SCI, room TBA
